"Expertrons has been driven by a single-minded passion: to empower individuals with the knowledge and guidance necessary to succeed in their careers.

In WeSchool, we found a partner whose values and commitment to excellence align perfectly with our own. Together, we are proud to bring you a comprehensive Post Graduate Certification Program that blends academic rigor with real-world insights from industry leaders."

About WeSchool:

WeSchool or Welingkar Institute of Management Development was established in 1977 at Matunga in Mumbai, followed by a campus in Bengaluru. Since inception, the WeSchool has been focused on transforming students and professionals into industry-ready leaders. This has seen it grow into an award-winning institute for its on-campus management programs and Hybrid PGDM programs.
